Faithfulness from the Heart

Matthew 5: 27-32

Pastor Chris

Sexuality is a holy gift from God designed to create life, unite husband and wife in deep covenant intimacy, and bless the family.

- Indulging small compromises or lustful curiosity corrupts the soul and carries the devastating price of losing one's humanity and destroying the family.

- Because human willpower alone cannot defeat lust, we must decisively cut off sin at its root, fix our eyes on the Cross, and protect our purity and families through the power of the Word.
